

For over 55 years we have been developing and building waterski and wakeboard cable systems. We are the inventor and market leader for Full Size Cables.

With over 300 installed Full Size and more than 160 Two-Pylon-Systems, we have significantly contributed to the promotion of wakeboarding and waterskiing worldwide.

RIXEN Cableway GmbH is part of the Autision Group since August 2018. A network of independent, medium-sized companies with complementary competences.

In the last 5 years we have won 10 innovation awards. Become a part of an innovative, technology leading company!

We are immediately looking for a

## Service employee (m/f/d)

full-time

### Your responsibilities

- Worldwide service at our wakeboard cableways
- Construction and commissioning of our systems in attractive tourist spots
- On-site consulting for customers
